“ It's mid February...
Life's just too lonely with you gone.
Depeche came on at work...I wanted to run away and cry..
Just miss you soooooo...
Every time I hear their music....laugh at jokes..I hear your laughter..
See your smile...
Sending love and peace ..
Just can't grasp your gone..
It's not fair...
Love beyond all words

“ Paul & I have been friends, since we were teens.
The world has lost the most beautiful soul. Its hard to imagine life without him.
I'm grateful to have had him in my life.
I'll forever see his beautiful smile, hear his contagious laughter, and miss his spark of life.
My condolences go out to his family.
I loved him with all my heart.
I hope he's at peace now with Gervais.
Rest in peace my friend.
Ill never forget you.
